

PICKERINGTON FARMERS' MARKET SPONSORSHIP PROGRAM

About the Market

The Pickerington Farmers' Market, sponsored by the Olde Pickerington Village Business Association (PVA), is a dynamic community event open every Thursday, 4-7pm, June through September. The Market showcases fresh, local Ohio grown produce & meats, cottage foods, artisan crafts and much more. In 2023, the Market averaged almost 900 customers per week and approximately 16,000 attending throughout the season. The market is one of the largest weekly gatherings in the community.

As market popularity increases, we seek additional community support to enable us to expand programming, entertainment, and special market promotions. Please consider becoming a sponsor of the Pickerington Farmers' Market.
